Dear Fellow Member:

Under the mandate of the Integration Rule, it is the duty of the Executive Director to certify to the Clerks of the Courts of this State the names and addresses of the persons who are members of The Florida Bar. With a minimum of additional cost the list of our members, along with other valuable information, has been incorporated for your convenience in this issue of the Journal in directory form. We hope it will be useful.

The cooperation of the public officials and the devoted work of the staff in this important editorial effort are much appreciated by the lawyers of Florida.

Sincerely yours,

Your Official Directory

Each year one issue of The Florida Bar *Journal* is devoted to an official roster and directory of The Florida Bar and the judicial system of Florida. A copy is provided to every member of the Bar in this State without extra charge in the interest of better administration of justice.

Although measures of economy have required the elimination of some nonessential features, the substantive content of this *Directory* is greater than that of prior issues. Whereas postal addresses and telephone numbers now appear only in the Geographic Roster, the date of admission now appears after each member's name as a new feature in that section.

Please note, too, that the State executive and legislative officials will appear in a regular issue of The Florida Bar *Journal* early in 1961 rather than in this *Directory*.

You will doubtless join me in thanking all members of our Headquarters staff for their hours of dedicated service in preparing this *Directory*. It is as accurate as possible up to 14 June 1960. Your suggestions will contribute to future improvement.

The Hand that holds the Gavel

. . . often balances the scales of justice. There are approximately 7,000 attorneys in the State of Florida, dedicated to seeing that the laws are beneficial and that judicial advancement will continue. The laws they uphold are the foundation of our way of life. The Legal Profession is an old and honored one, and to those 7,000 Florida attorneys, Southern Bell voices a sincere "Thank You"—for your contributions which make our state a better place to live.

Integration Rule*

of The Florida Bar

Pursuant to the inherent powers of the Supreme Court of Florida, the Integration Rule of The Florida Bar is hereby amended to read as follows:

PREAMBLE

To inculcate in its members the principles of duty and service to the public, to improve the administration of justice, and to advance the science of jurisprudence, the following principles are expressly adopted by this Court:

(a) The Florida Bar, a body created by and existing under the authority of this Court, is charged with the maintenance of the highest standards and obligations of the profession of law, and to that end is vested by this Court, in the exercise of its inherent powers over The Florida Bar as an official arm of this Court, with the necessary powers and authority.

(b) Attorneys admitted to practice law in Florida are a part of the judicial system of Florida and officers of its courts.

(c) Persons of integrity and good character only shall be permitted to practice law in Florida.

(d) This Court has the inherent power and duty to prescribe the qualifications that shall be required for admission to practice law, to admit suitable persons to practice law, to prescribe standards of conduct for lawyers, to determine what constitutes grounds for the discipline of lawyers, to discipline for cause attorneys admitted to practice law in Florida, and to revoke the license of every lawyer whose unfitness to practice law has been duly established.

(e) All of the members of The Florida Bar have taken an oath to support the Constitution and the laws of this state and of the United States. As officers of the court, they are charged with obedience to these laws, both in and out of court, and with the duty to observe the high standards of the profession. A license to practice law is a proclamation by this Court that the holder is one to whom the public may entrust professional matters. The lawyer must be true to that trust and to his professional relationship to his client, whether such client be a public body or a private individual.

*As revised by the Supreme Court of Florida on 6 December 1955. All amendments ordered by the Supreme Court of Florida prior to 1 July 1960 are incorporated herein.

Article IX

2. Article X

RULES OF PROFESSIONAL CONDUCT

The Court adopts, as a code of ethics applicable to the members of The Florida Bar, the Canons of Ethics for Judges and Attorneys, Rules A and B, promulgated by this Court on January 27, 1941, and the Rules of Conduct adopted on the same date, as published on pages 3210 through 3221, Florida Statutes 1957, together with such amendments thereto as are now adopted or may be adopted by this Court.

Article XI

DISCIPLINE

1. The following principles, among others expressly adopted by this Court, shall govern the conduct of members of The Florida Bar in their capacity as attorneys and shall govern all proceedings for discipline of such members: A license to practice law confers no vested right to the holder thereof, but is a conditional privilege revocable for cause. The primary purpose of discipline of attorneys is the protection of the public, the profession, and the administration of justice, and not the punishment

of the person disciplined. It is the obligation of The Florida Bar and individual members thereof to give unlimited cooperation and assistance to this Court and its duly appointed agents in discharging all its functions and duties with respect to discipline and in purging the profession of the unworthy.

Any member of the bar of this state, who joins the Communist party, allies himself with or in any way lends his allegiance to the Comunuist party or any subsidiary of said party as contemplated by Petition for Revision of, or Amendement to, the Integration Rule of The Florida Bar, decided July 13, 1956, and refuses or neglects to resign from the bar shall subject himself to disciplinary action and the Board of Governers of The Florida Bar is hereby authorized to institute proceedings against him for that purpose. Such proceedings shall be initiated, conducted and disposed of in the manner provided by Article XI, Disciplinary Rule of The Florida Bar as adopted December 6, 1955 (published in January 1956 issue of *The Florida Bar Journal*), but may be instituted on complaint of the state attorney, the complaint of any reputable lawyer or lawyers, or it may be predicated on any investigation made as to the accused's communist activities by any court of which he is an officer or by other recognized governmental agency, state or national. The evidence taken by such court or agency may be introduced and accorded such weight as the Board of Governors may deem proper to give it and the punishment may be disbarment, suspension from the practice for a definite time or such lesser punishment as the Board of Governors may see fit to impose. An action by the Board of Governors is subject to review by this court in the same manner that other disciplinary orders are reviewed.

2. This Court has heretofore adopted and approved a code of ethics governing judges and attorneys and rules governing the conduct of attorneys in Florida, but does not undertake by such code and rules or by the present rules to promulgate a code governing all causes for discipline. The enumeration here of certain categories of misconduct as constituting grounds for discipline shall not be deemed to be all-inclusive, nor shall the failure to specify any particular act of misconduct be construed as a tolerance thereof by this Court.

The commission by a lawyer of any act contrary to honesty, justice, or good morals, whether the act is committed in the course of his relations as an attorney or otherwise, and whether or not the act is a felony or misdemeanor, constitutes a cause for discipline. If the act constitutes a felony or misdemeanor, conviction thereof in a criminal proceeding is not a condition precedent to discipline.

A final adjudication of misconduct in a disciplinary proceeding by a court of another state in which an attorney has been licensed to practice shall be considered as conclusive proof of such misconduct in a disciplinary proceeding in this state. Conviction of a member of The Florida Bar in any court of this state or of any other state, territory, or of the United States of any crime or offense that is a felony under the laws enforced by such court, shall be conclusive proof of the guilt of the respondent.

The practice of solicitation of professional employment by advertisement, runners, solicitors, investigators, or in any other manner shall constitute ground for discipline. Payment of compensation shall not be a necessary element of proof of solicitation.

Where money or other property has been entrusted to an attorney for a specific purpose, he must apply it to that purpose. He may not avail himself of a counterclaim or setoff for fees agains any money or other property of his clients coming into his hands, and a refusal to account for and deliver over such money or property upon demand shall be deemed a conversion. This does not apply to the retention of money or other property upon which the lawyer has a valid lien for his services. Controversies as to the amount of fees shall not be considered a basis for a complaint in a disciplinary proceedings unless it is charged that the amount demanded as fees is extortionate or fraudulent.

3. This Court expressly imposes upon the Board of Governors of The Florida Bar the duty of investigating the conduct of members of the Bar, of filing complaints, of trying the charges against such members, and entering judgments on such charges in accordance with the provisions of this Article. The Board of Governors, subject to and consistent with the provisions of this Article, may, through its by-laws, provide the method and procedure necessary to discharge the duties imposed upon it by this Article.

The Florida Bar is expressly authorized to call upon the accused attorney to make specific and complete disclosure as to all material matters by answer or testimony. Any person, including the accused attorney, who is subpoenaed to appear and give testimony or to produce books, papers, or documents, and refuses to appear or to produce such books, papers, or documents, or who, having duly sworn to testify, refuses to answer any proper question, shall be guilty of contempt of this Court.

The Florida Bar is expressly authorized to reprimand privately or place on probation any accused attorney without further order of this Court.

4. All investigations and the hearings of all disciplinary cases shall be begun, prosecuted, and completed as promptly as the ends of justice will permit. All investigations and hearings shall be informal but thorough, with the objective of ascertaining the truth.

5. Disciplinary Procedure.

(a) *Grievance Committees.*

The Board of Governors shall have authority to appoint one or more Grievance Committees in each judicial circuit. Each Grievance Committee shall consist of not less than three, nor more than five, members of the Bar.

(b) *Investigation of Probable Cause.*

The Board of Governors and its duly appointed committees, including Grievance Committees, shall have power to investigate or cause to be investigated all misconduct by members of The Florida Bar, active

or retired, that may be brought to the attention of the Board or such committees for the purpose of determining whether there is probable cause to believe that a member or members have been guilty of misconduct justifying disciplinary action. Such investigating body may initiate investigations at any time and place deemed by it advisable, and it shall have power to summon witnesses, to administer oaths, and to order the production of books, records, or other documentary evidence. Any refusal to comply with any proper order or direction of the Board of Governors or any such committees shall be reported to a judge of the appropriate Circuit Court for summary action thereon. Unless such investigating body shall determine that there is no such probable cause, it shall give each accused attorney an opportunity to explain or refute the evidence of his alleged misconduct.

If, after completing its investigation, the investigating body shall determine that there is probable cause of misconduct, it shall forthwith file with the Executive Director of The Florida Bar a Report containing its findings and recommendations as to each instance of misconduct, together with supporting papers, proofs, and transcript. Upon receipt thereof, the Executive Director shall forwith serve a copy of the Report upon the accused attorney.

If the Board of Governors finds from such Report that there is probable cause of misconduct justifying disciplinary action, it shall cause a Complaint in writing to be prepared and filed in the office of the Executive Director of The Florida Bar. The Complaint shall set forth a short and plain statement of the ultimate facts constituting the alleged misconduct, and a copy thereof shall be served upon the accused attorney.

Upon consideration of the Report, the Board of Governors may direct that a further investigation be made by such investigating body, or that no complaint be filed. Each accused attorney shall be notified of the Board's action.

(c) *Hearing.*

The Board of Governors of The Florida Bar shall annually certify to this Court a panel of members To The Florida Bar for the Court's approval to serve as Referees. Referees in disciplinary matters shall be designated by the Board of Governors from this panel as hereinafter provided.

The Board of Governors shall appoint an active member or members of the Bar to present the evidence of the charges to the Referee and to take such other actions in the proceedings as the Board may direct. Where, however, the accused attorney pleads guilty to all charges and does not request an opportunity to present evidence before a Referee, the Board of Governors need not, in its discretion, appoint a Referee and may enter a judgment based upon such plea of guilty.

In every case in which the Board of Governors of The Florida Bar shall direct the filing of a Complaint, it shall appoint a Referee from the approved panel to conduct the hearing on the Complaint. The Referee shall have such powers as are necessary to conduct a proper and speedy

hearing of the cause, including the power to take or cause to be taken depositions of witnesses, to issue subpoenas, and to compel the attendance of witnesses. Any refusal to comply with any proper order or direction of the Referee shall be reported to the judge or judges of the appropriate Circuit Court for summary action thereon. The only pleadings permissible are the Complaint, the answer thereto and motions challenging the sufficiency of the Complaint or the jurisdiction of the forum. They shall be reviewed by this Court only after final judgment.

Any person bringing the charges, in person or by his attorney, or both in person and by his attorney, may be present at all hearings conducted by the Referee.

The hearing shall be held in the county in Florida in which the accused attorney last resided or practiced, or in which the alleged offense was committed, and reasonable notice of the time and place of the hearing, not to be less than twenty days, shall be given to the accused attorney.

The Referee shall submit to the Board of Governors his Report, which shall include his findings of fact and his recommendations, together with a transcript of evidence taken.

(d) *Review and Judgment.*

Upon receipt of the Report of the Referee, the Board of Governors shall have authority to dismiss the Complaint, to remand the cause for further testimony, to administer a private reprimand to the accused attorney in a proper case, to place such attorney upon probation, or to file its judgment and the record with the Clerk of this Court. The review of the Board of Governors shall be based upon the record, and the Board shall hold a hearing on questions arising from the record. When the Board of Governors adjudges that an attorney be disbarred, suspended, publicly reprimanded, or disciplined (other than by private reprimand or by being placed on probation), it shall immediately file a certified copy of its judgment with the Clerk of this Court, together with a transcript of the evidence and the other proceedings in the cause.

(e) *Petition for Appellate Review.*

Upon such filing, the Clerk shall immediately serve a copy of the Board's judgment upon the accused attorney. Within thirty days after the filing thereof (or within such shorter time as the Court may determine), any person so adjudged to be disbarred, suspended or disciplined, may petition the Court to review such judgment and to reverse or modify it, and, upon such review, the burden shall be upon the petitioner to show wherein such judgment is erroneous, unlawful, or unjustified. If no petition for review is filed within the prescribed time, the judgment of the Board of Governors shall become the judgment of this Court. If, upon review, the judgment of the Board of Governors is approved, disapproved, or modified, an appropriate order shall be made by this Court.

When a petition for review shall be filed in this Court, the accused attorney may appear in person or by his attorney, and The Florida Bar shall be represented by a member or members of the Bar appointed by the Board of Governors. The cause shall be heard by this Court on briefs or oral argument, or both, as it may determine.

(f) *Expenses and Costs.*

The Board of Governors shall have the authority to defray all necessary expenses incurred in conducting investigations and hearings under this Article, including the traveling expenses and reasonable compensation of the Referee.

In the event the accused attorney is found guilty of any of the charges made, costs may be awarded against him by this Court.

(g) *Service upon Accused Attorney.*

Whenever under the provisions of this Article service of any paper or papers is required to be made upon an accused attorney, such service may be effected personally or by mailing a copy of such paper or papers by registered mail to such attorney at his last-known address according to the records in the office of The Florida Bar.

(h) *Proceedings Confidential.*

Unless otherwise requested by the attorney, investigations and hearings shall not be made public until the judgment of the Board of Governors is filed in this Court.

(i) *Reinstatement.*

This Court expressly imposes upon the Board of Governors the duty of investigating the matters involved in any petition for reinstatement that may be filed after disbarment or suspension, and of making recommendations to this Court concerning such petition. The Board of Governors, subject to and consistent with the provisions of this Article, may, through its By-Laws, provide the method and procedure necessary to discharge the duties imposed upon it by this Article.

A petition for reinstatement after disbarment or suspension shall be addressed to the Board of Governors in writing, shall be verified by the petitioner, and shall be filed in duplicate with the Executive Director of The Florida Bar. It shall set forth the age, residence, and address of the petitioner, the offense or misconduct upon which the disbarment or suspension was based, a concise statement of the facts claimed to justify reinstatement, and the name and address of any complainant in the original proceedings. One copy of the petition shall be promptly filed by the Executive Director with the Clerk of this Court.

The Board of Governors or its duly appointed committees, including Grievance Committees, shall promptly investigate the matters alleged in the petition. The Board of Governors and such committees are authorized to take evidence on reasonable notice to the petitioner, in opposition to allegations in said petition or pertinent to the consideration of said

petition. The Board shall make recommendations concerning the petition and shall file with the Clerk of this Court a certified copy of its recommendations, together with a transcript of the evidence and the other proceedings in the cause. Upon such filing, the Clerk shall immediately serve a copy of the Board's recommendations upon the petitioner. Within thirty days after the filing thereof (or within such shorter time as this Court may determine), the petitioner may petition this Court to review said recommendations and to deny or modify them, and upon such review the burden shall be upon the petitioner to show wherein such recommendations are erroneous, unlawful, or unjustified. If no petition for review is filed within the prescribed time, the recommendations of the Board of Governors may be approved and, in that event, an appropriate order shall be made by this Court. If, upon review, the recommendations of the Board of Governors are approved, denied, or modified, an appropriate order shall likewise be made by this Court.

No oral argument shall be heard on a petition to review the Board's recommendations, except upon special order of this Court. If oral argument is ordered, the petitioner may appear in person or by his attorney, and The Florida Bar shall be represented by a member or members of the Bar appointed by the Board of Governors.

No petition for reinstatement shall be filed within one year following an adverse decision of this Court upon a formal petition for reinstatement filed by or on behalf of the same person.

No petition for reinstatement shall be considered unless such petition shall be accompanied by proof that all costs assessed against the disciplined attorney in the prior disciplinary proceedings against him have been secured. An unsuccessful petitioner in reinstatement proceedings shall pay the costs thereof.

6. (a) *Disciplinary Matters in District Courts of Appeal and Circuit Courts.*

Whenever it shall be made known to any of the judges of the district courts of appeal or any judge of a circuit court in this state that a member of The Florida Bar practicing in any of the courts of his district or judicial circuit has been guilty of dishonest conduct or habits of general immorality or any such single act or crime of vice as may show him to be unfit for the trust and confidence reposed in him as an attorney or of deceit or misconduct in his office of attorney or of suppressing or attempting to suppress any testimony in any cause or of tampering with any record or of stirring up litigation or being drunk while the case under his charge is being considered in court or of any unprofessional acts as defined by the code of ethics adopted by this Court which unfit him for association with the fair and honorable members of the profession, such judge shall direct the state attorney for the circuit in which such attorney shall have his office to make in writing a motion in the name of The Florida Bar to disbar such attorney setting forth in the motion the particular acts of conduct for which the attorney is sought to be disbarred.

(b) *Copy Served Upon Accused.*

Upon the filing of such motion a copy thereof shall be served upon the accused attorney and he shall, within ten days after the service thereof, file his answer thereto.

(c) *Trial before Circuit Judge.*

Upon the filing of the answer the presiding judge of the judicial circuit in which the accused attorney's office is located shall designate one of the judges thereof to try and determine said cause; such judge shall conduct a hearing thereon and shall hear the evidence to be offered by The Florida Bar and the accused. Upon the conclusion of said hearing, said judge shall enter such judgment of reprimand, suspension or disbarment as shall be appropriate to the circumstances. Costs, including court reporter's fees, shall be taxed against The Florida Bar or the accused in such manner as the court shall determine.

The parties shall be entitled to compulsory process to enforce the attendance of any witnesses.

(d) *Judgment filed in Supreme Court.*

If the judgment be one of reprimand, suspension or disbarment, three certified copies of the same shall be forthwith filed by the clerk of the trial court with the Clerk of the Supreme Court of Florida. The Clerk of the Supreme Court shall forthwith retain one copy for his records, deliver to the Executive Director of The Florida Bar one copy of said judgment for his official records and shall serve the other upon the accused attorney.

(e) *Petition for Appellate Review.*

The provisions of paragraph 5 (e) of this Article XI shall govern appellate review of judgments entered by the circuit court.

(f) *Duty to Expedite Proceedings.*

It shall be the duty of the state attorney who is directed to file said motion to promptly file the same and to expeditiously dispose of said controversy.

(g) *Concurrent Jurisdiction of The Florida Bar.*

The jurisdiction of the district court and circuit courts created by this Rule and the procedure herein outlined shall be concurrent with that of The Florida Bar under the preceding portions of this Rule. The forum first acquiring jurisdiction shall retain the same to the exclusion of the other until the final determination of the cause.

(h) *Reinstatement of Disciplined Attorney.*

The provisions of paragraph 5 (i) of this Article XI shall govern all applications for reinstatement of suspended or disbarred attorneys without regard to the forum in which said proceedings were conducted.

(i) *Statutes Superseded.*

This Article shall supersede Sections 454.24, 454.25, 454.26, 454.27, 454.28, 454.29 and such parts of Sections 454.30, 454.31 and 454.32 as are in conflict herewith.

Such annual dues shall be paid by every person admitted to practice law in Florida, except retired members, former members under disciplinary conviction and sentence, members adjudged insane or mentally incompetent, and members who have resigned pursuant to the provisions of Section 3 of Article II of the Integration Rule as amended. No person failing to make payment of his annual dues in compliance with Article VIII of the Integration Rule as amended shall engage in the practice of law, or be entitled to receive any of the privileges and benefits accorded to active members of The Florida Bar. Failure to receive notice or demand of payment of dues shall not relieve any person of the duty to comply with the requirements of the Integration Rule. The Executive Director shall issue to each member making payment of his dues an official membership card certifying that such member has paid annual dues for the current year, which membership card shall be evidence that the person named therein is an active member of The Florida Bar in good standing.

Section 2. DELINQUENT MEMBERS. Upon expiration of the time fixed by Article VIII of the Integration Rule as amended, the Executive Director shall compile a list of all persons who have become delinquent members, as defined by Section 3 of Article II of these By-Laws, and shall file such list of delinquent members in accordance with Section 4 of Article VIII of the Integration Rule. Copies of such list shall be furnished to the Board of Governors for appropriate action.

RULES OF DISCIPLINARY PROCEDURE

Circuit Grievance Committee

1. *Organization.* Every member of a Grievance Committee shall take an oath of office. Unless appointed by the Board of Governors, a chairman, a vice-chairman, and a secretary shall be elected by each Grievance Committee.

2. *Changes in Committees; Continuing Power.* Notwithstanding changes which may be made by the Board of Governors in the number or personnel of members of a committee, the committee as theretofore constituted shall have jurisdiction and power to proceed in all preliminary investigations and formal hearings commenced prior to such changes.

3. *Meetings; Quorum.* Meetings of a committee may be held at such place and at such time as may be fixed by the committee. Meetings may also be held at the call of the chairman or vice-chairman. Notice of the time and place of all meetings shall be given at least one day prior thereto.

A majority of a committee constitutes a quorum for the transaction of business.

4. *Quarterly Reports.* Unless otherwise ordered by the Board of Governors, each committee shall, not later than the tenth day of each quarter, prepare and file with the Board of Governors a report, in accordance with and upon forms authorized by the Board of Governors, setting forth the status of all preliminary investigations and formal proceedings pending before the committee, the progress thereof during the preceding quarter, the disposition of all matters concluded by the committee during such period, and expenses incurred and paid.

Each such report shall indicate any charge against or conviction of a member of The Florida Bar of a felony or of a misdemeanor involving moral turpitude had within the circuit since the last report; and also a statement concerning any disciplinary proceedings against a member of The Florida Bar had in any court within the circuit since the last report.

a. General Provisions

5. *Confidential Nature of Hearings and Records.* All disciplinary proceedings prior to the filing of the judgment of the Board of Governors as set forth in Rule 35 hereunder shall be confidential unless otherwise requested by the accused attorney.

Except when ordered by the Board of Governors, and except as provided in Rule 6 hereof, no information concerning the pendency or status of a preliminary investigation or formal proceeding shall be given unless and until a judgment of the Board of Governors is filed with the Clerk of the Supreme Court, except to members of the Board of Governors, officers of The Florida Bar and their assistants, the members of the circuit Grievance Committee hearing the matter, a member of The Florida Bar representing the Bar, the accused attorney, and his counsel.

The files and records of all preliminary investigations and formal proceedings are the property of the Bar and are confidential except as in these Rules otherwise provided.

Upon request, the accused attorney and his counsel are entitled in a preliminary investigation to be apprised at the time of or subsequent to the giving of the notice to the accused attorney provided for by Rule 17, of the nature of the charges which are the subject of the investigation and to be apprised of any determination by the committee that no complaint should be filed and, in a formal proceeding, to a reasonable opportunity to inspect any pleadings, transcript, exhibits and the findings, conclusions, and recommendation reported to the Board of Governors by the Referee in accordance with Rule 30.

6. *Complaining Witness May Be Advised or Represented.* Upon request, the complaining witness may be advised by the Executive Director, or the chairman or secretary of the appropriate committee, of the status of a preliminary investigation or formal proceeding. Further, subject to the discretion of the Circuit Grievance Committee, the complaining witness may be accompanied by counsel while testifying before Circuit Grievance Committees, and the complaining witness shall have the right to be present in person or by counsel while the accused attorney testifies before said Circuit Grievance Committee.

7. *Place of Investigation and Hearing.* The preliminary investigation, provided for in these Rules, of any alleged misconduct by a member of The Florida Bar, and the hearing upon any notice of preliminary investigation which is issued, shall be conducted in the county of the residence of the accused attorney, or in the county where he maintains his principal office for the practice of law, or in the county where the offense is alleged to have been committed. If the alleged offense was not committed in, and the accused attorney neither resides nor maintains his principal office for the practice of law in, the State of Florida, the preliminary investigation and any proceeding upon a notice of preliminary investigation shall be conducted in such county or counties of the State as shall be designated by the Board of Governors.

8. *Assignment and Transfer.* The Board of Governors may transfer a preliminary investigation pending before a committee in one circuit to a committee in another circuit having jurisdiction, or to a special committee appointed by the Board of Governors.

9. *Administration of Oaths by Member of Committee.* Any member of a Grievance Committee has power to administer oaths and affirmations to witnesses and to other persons in any matter within the jurisdiction of the committee.

10. *Depositions.* Depositions may be taken and used in formal proceedings and, upon the order of the committee, in preliminary investigations, in the same manner, as far as applicable, as in civil cases.

11. *Challenges and Disqualification.* No member of a committee or Referee, if challenged before the commencement of a preliminary investigation, or the commencement of a reinstatement hearing, before the introduction of evidence upon a formal hearing, shall act as a member of the committee or as Referee in any such investigation or hearing if he would be disqualified as a Referee upon any of the grounds specified in Sections 38.01-38.10, Florida Statutes. The committee or Referee shall pass upon the challenge. No committee shall conduct a preliminary investigation in which one of its members is the accused attorney.

12. *Who may Not Act as Referee or Appeal for Accused Attorney.* No member or former member of the Board of Governors or of the State Board of Bar Examiners, and no employee or former employee of The Florida Bar, shall represent any accused attorney in any preliminary investigation, formal proceeding, or reinstatement hearing in any appearance before a committee of The Florida Bar, the Board of Governors, or the State Board of Bar Examiners, or act as a Referee in any such investigation or proceeding, until at least one annual meeting of The Florida Bar shall have been held subsequent to the date of the expiration of the term for which he was appointed or elected or subsequent to the date of the termination of his employment; nor shall any member or former member of any Grievance Committee represent an accused attorney in any such proceedings during the term for which he was appointed and for six months thereafter, nor, in any case, in any such proceeding heard or partially heard before him.

13. *Effect of Incompetence of Accused Attorney.* No preliminary investigation shall be conducted or any formal proceeding instituted against a member of The Florida Bar who has been judicially declared to be of unsound mind or incapable of conducting his own affairs until a judicial determination has been made that he is of sound mind or capable of conducting his own affairs. Any preliminary investigation or formal proceeding instituted against a member of The Florida Bar who, during the pendency thereof, is judicially declared to be of unsound mind or incapable of handling his own affairs shall be abated until a judicial determination has been made that he is of sound mind or capable of conducting his own affairs.

14. *Effect of Military Service.* No notice of preliminary investigation shall issue or any hearing be held on any notice of preliminary investigation theretofore issued, when the accused attorney is in active "military service" as that term is defined under the provisions of the 1940 Soldiers' and Sailors' Civil Relief Act, and amendments thereto, except at the request of the accused attorney or on the order of the Board of Governors. Nothing herein contained shall prevent the making of findings of fact or recommendation by a Grievance Committee when the case has been submitted prior to the accused attorney's entry into active military service.

15. *Effect of Unwillingness of Complaining Witness and Pendency of Litigation or Criminal Action.* A complaining witness shall assist in the conduct of the preliminary investigation and shall, upon request, in a preliminary investigation or formal proceeding, furnish the committee or Referee with all documents and other evidence in his possession and the names and addresses of witnesses, and shall otherwise assist the committee or Referee in securing evidence in support of the charges made. However, neither unwillingness nor neglect of the complaining witness so to do, nor settlement, compromise, nor restitution, excuses a committee or Referee from undertaking or completing a preliminary investigation or a formal proceeding.

A committee or Referee is not excused from undertaking or completing a preliminary investigation or a formal proceeding merely because the accused attorney is, or during the course of the preliminary investigation or formal proceeding becomes, a party to civil litigation, or is, or during the course of the preliminary investigation or formal proceeding becomes, a defendant or is acquitted in a criminal action, either of which involves the subject matter of such preliminary investigation or formal proceeding. Provided, however, that under the foregoing conditions a committee may, with the consent of the Board of Governors, and shall, upon order of the Board of Governors, withhold further action until final determination of such litigation or criminal action or until the further order of the Board of Governors.

b. Preliminary Investigations

16. *Preliminary Investigations; Nature and Initiation. Before the* issuance against a member of The Florida Bar of any complaint, a preliminary investigation shall be made by a committee to determine whether formal proceedings should be instituted and a formal hearing held. The member of the Bar shall be allowed an opportunity to be heard in the course of the preliminary investigation by the committee conducting the investigation.

Such a preliminary investigation may follow the presentation to The Florida Bar or to any Grievance Committee of charges, whether formal or informal, verified or unverified, written or oral.

The Board of Governors or a committee appointed by the Board of Governors may in the absence of any charge and of its own motion order

such a preliminary investigation to be conducted and may appoint a member of The Florida Bar acting for the Bar to act therein.

In preliminary investigations the proceedings shall be informal, but thorough, with the object of ascertaining the truth.

17. *Notice of Preliminary Investigation.* Notice to member of The Florida Bar of his opportunity to be heard upon a preliminary investigation shall be given in writing by the chairman or secretary of the committee.

The Grievance Committee shall render a written report to the Board of Governors of the results of such preliminary investigation with recommendations as to whether further disciplinary proceedings should be had against the accused member.

18. *Reporting and Transcribing, Informal Proceedings; Use of Transcript.* The proceedings in the preliminary investigation shall be stenographically reported and a transcript thereof in triplicate shall be attached to the report of the committee if such committee recommends further proceedings.

c. Formal Hearings

19. *Complaint; Issuance, Contents, Service.* If the Board of Governors finds probable cause that the accused member has been guilty of professional misconduct after the hearing on the report of the Grievance Committee, it shall cause a Complaint in writing to be prepared. The Complaint shall set forth a short and plain statement of the ultimate facts constituting the alleged misconduct, and a copy thereof shall be served upon the accused attorney. The original Complaint shall be filed with the Executive Director of The Florida Bar.

20. *Appointment and Duties of Referee in Formal Proceedings.* The Board of Governors shall forthwith appoint a member of The Florida Bar to serve as Referee to try the issues raised by such Complaint and the pleadings subsequent thereto. Such Referee shall not be a member of the Board of Governors or the Grievance Committee involved. The Board of Governors shall also appoint an active member or members of The Florida Bar to prosecute the Complaint on behalf of the Bar. Such member of The Florida Bar representing the Bar shall not be a member of the Board of Governors.

21. *Joinder; Consolidation.* Any number of acts or omissions or transactions alleged to constitute misconduct by a member of The Florida Bar may be set forth in the same Complaint.

A single Complaint may issue directed to two or more members when the alleged misconduct of each of them arises out of the same statement of alleged facts or related statements of alleged facts and when no substantial rights of either of the members will be prejudiced thereby.

In any such case of joinder or consolidation the findings, conclusions, and recommendations of the Referee may, in the discretion of the Referee, be joint or several.

22. *Pleadings.* The only pleadings permissible upon formal proceedings before the Referee are the Complaint, the answer thereto, and motions challenging the sufficiency of the Complaint or the jurisdiction of the forum, which may be made a part of the written answer to the Complaint. The accused attorney shall file his answer or motions within 20 days of the date of the service of a copy of the Complaint upon him.

23. *Procedure in Formal Proceedings; Evidence.* Informality in a Complaint or the answer thereto shall be disregarded. No finding or recommendation of a Referee made in a disciplinary proceeding shall be invalidated, upon review thereof by the Board of Governors, for error in pleading, or in procedure, or upon any other ground, unless upon the whole record, including the evidence, the Board of Governors is of the opinion that error has been committed and has resulted or will result in a miscarriage of justice.

23.1 *Prior Proceedings; Evidence.*

Section 1. Admissible Records. The record in any prior disciplinary proceeding against the same accused attorney, or any pertinent part thereof, is admissible in evidence (a) if, under the rules of relevancy, it tends to prove any fact at issue in the pending proceedings, or (b) for the purpose of giving aid in determining the degree of discipline to be administered; provided,

(1) Such prior proceeding resulted in the administration of discipline and has become final, or

(2) Such record contains findings of fact made in a formal proceeding of which the accused attorney had notice, or at which he appeared, or

(3) Such record, whether of a preliminary investigation or formal proceeding, contains an admission against interest by the accused attorney.

Section 2. Other Complaints and Charges. Records of complaints or charges not admissible under Section 1 of this Rule shall not be received in evidence on behalf of The Florida Bar; provided, that if the accused attorney shall introduce testimony to the effect that no complaints or charges have been made against him relating to his professional conduct, then the record of any prior complaints or charges may be received in rebuttal.

24. *Amendments to Complaint and Answer.* The Referee, at any time prior to the conclusion of the hearing, or the Board of Governors, at any time prior to the making of its decision, may allow or require amendments to the Complaint or may allow amendments to the answer. The Complaint may be amended to conform to proof or to set forth additional facts, whether occurring before or after the commencement of the hearing. In case such an amendment is made, the accused attorney shall be given reasonable time to answer the amendment and to prepare his defense against the misconduct charged thereby.

25. *Service of Papers.* All papers shall be served in the manner herein provided.

The Complaint shall be served upon the accused attorney personally or via registered mail at his last known address according to the records of The Florida Bar.

Answers to Complaints, or to any amendment thereto, shall be served by delivering, personally or by mail, the original and four copies thereof to the Executive Director of The Florida Bar.

Statements, applicants, and objections permitted by Rule 33, when presented by a member of The Florida Bar representing the Bar, shall be served by delivering a copy to the accused attorney or by mailing a copy to him at his last known address as shown by the records of The Florida Bar; when presented by an accused attorney shall be served by filing the original and three copies in the office of The Florida Bar in Tallahassee.

Papers may be served by any person over the age of eighteen years, except a complaining witness in the proceeding. The affidavit of the person making service is proof of service.

26. *Answer; Appearances.* The filing of a written answer to the Complaint, or to any amendment thereto, is optional with the accused attorney. If written answer is made, an original and four copies thereof shall be served and delivered in accordance with Rule 25 of these Rules within 20 days from the service of a copy of the Complaint. For good cause shown, the Referee may extend the time for filing an answer to the Complaint, but such an extension of time shall not excuse the accused attorney from appearing before the Referee at the time fixed in the notice of hearing.

The Referee shall serve notice of the time of hearing upon the issues in writing upon the member of The Florida Bar representing the Bar and the accused attorney by registered mail at least 10 days before the date of the hearing. If the accused attorney fails to appear at the time fixed, the Referee shall proceed with the hearing whether or not an answer has been filed and the accused attorney shall not be entitled to further notice. Failure of the accused attorney to appear at the hearing shall not, standing alone, be taken as an admission of the truth of the facts alleged to constitute the misconduct, but testimony shall be taken thereon; provided, however, that the failure of the accused attorney to testify in his own behalf may be considered in determining the issues involved, unless it appears that such failure on the part of the accused attorney was due to circumstances beyond his control.

27. *Contents of Written Answer.* The written answer to the Complaint shall contain the title of the proceeding, an address to which all further notices to the accused attorney in relation to the proceedings may be sent, an admission or denial or explanation of the allegations set forth in the Complaint, and such other matter by way of defense as may be relevant, together with any motion the accused attorney may desire to make challenging the sufficiency of the Complaint or the jurisdiction of the forum.

28. *Hearing; Continuances.* At the time and place fixed in the notice the Referee shall proceed with the hearing, unless for good cause shown the Referee shall continue the same. No continuance shall be for a longer period than thirty days, nor for periods aggregating more than ninety days, without the approval of the Board of Governors.

29. *When Testimony Is to Be Reported and Transcribed in Formal Proceedings.* The testimony of all witnesses appearing before referees in hearings upon complaints shall be taken in shorthand. In all formal proceedings the testimony of all witnesses so appearing shall be transcribed into typewriting and shall accompany the Report made by the Referee to the Board of Governors in accordance with Rule 30.

30. *Prompt Hearing; Report.* In every proceeding upon a Complaint the Referee shall proceed to a prompt hearing, at the conclusion of which he shall promptly make and transmit to the Board of Governors a brief statement of the proceedings had, clear and concise findings of fact, a brief statement of his conclusions based thereon, and such recommendation to the Board of Governors as the Referee determines to be warranted thereby.

31. *Procedure Where Another Member Appears to be Involved.* Should it appear at a hearing before a Referee that another member of The Florida Bar may have participated in the alleged misconduct with which the accused attorney is charged, the Referee shall immediately ascertain whether a preliminary investigation of such other member of the Bar has been or is being held as provided for in Rule 16, and if so, make a finding concerning the status of the same. If no preliminary investigation of such other member has been or is being held, the Referee shall immediately order a preliminary investigation of such other member as provided for in Rule 16, and shall make a reference to such order in his findings. In either event the proceedings against the particular accused attorney on hearing shall continue in accordance with these Rules without abatement.

d. Review by Board

32. *Notice of Report.* When following a hearing upon a Complaint, the Report of a Referee to the Board of Governors provided for in Rule 30 is received at the office of The Florida Bar in Tallahassee, notice thereof and a copy of the findings, conclusions, and recommendations of the Referee shall be sent by the Executive Director to the accused attorney and to the member of The Florida Bar representing the Bar. The notice shall be accompanied by a copy of Rules 33 and 34. A copy of the letter of transmittal, bearing date of mailing and the name of the person mailing the same, shall be retained in the office of The Florida Bar and shall be prima-facie evidence of the mailing thereof upon said date. The complaining witness shall be advised only as provided for by Rule 6.

33. *Statement in Opposition or Support.* The member of The Florida Bar representing the Bar or the accused attorney, at any time within ten days after the mailing of the notice of the Report, may file with or mail to the Executive Director at the office of The Florida Bar in Tallahassee an

original and three copies of a typewritten statement in support of, or in opposition to, the Report of the Referee.

34. *Consideration by the Board of Governors.* The Board of Governors shall consider the matter upon the record submitted under Rule 33 without further evidence.

35. *Filing and Notice of Decision.* The member of The Florida Bar representing the Bar, and the accused attorney shall be notified by the Executive Director of the decision of the Board of Governors and service of such notice shall be complete upon mailing the same addressed to the accused attorney at his last known address appearing upon the records of The Florida Bar. However, it is the duty of the accused attorney to keep informed relative to the status of the disciplinary proceeding.

If the Board of Governors recommends disciplinary action other than by a private reprimand or by placing the accused attorney upon probation, the Board of Governors shall file its judgment accompanied by the record before it with the Clerk of the Supreme Court. The Board of Governors shall appoint an active member or members of The Florida Bar to represent the Board of Governors in any hearings thereafter before the Supreme Court.

36. *Private Reprimand.* When the Board of Governors administers a reprimand to a member of The Florida Bar, the Board shall have prepared and sent to such member a letter advising him specifically of the charges of professional misconduct of which he has been found guilty by the Board of Governors. He may also be required to appear before the Board for said reprimand.

When a private reprimand is administered, no publicity shall be given to such action of the Board of Governors, except that the complaining witness, the Referee, and the committee involved shall be advised of the Board of Governors' action.

Reinstatement

37. *Petition; Form; Contents; Filing Fee; Fingerprints.* The petition for reinstatement shall be in writing, verified by the petitioner, addressed to the Board of Governors and filed, together with three copies thereof, at the office of The Florida Bar in Tallahassee. The cost of investigation by The Florida Bar shall be a part of the costs of reinstatement proceedings. Within ten days after the filing of his petition the petitioner shall furnish one or more sets of his fingerprints, taken in the office of, or under the direction or supervision of, The Florida Bar, on record cards furnished by The Florida Bar for the purpose.

The petitioner shall, in the first instance and in addition to any other requirements hereof, set forth fully and accurately in his petition the following information covering the period between the date of disbarment or suspension, as the case may be, and the date of the filing of the petition, to wit: (a) name, age, residence, address, and number and relation of dependents of the petitioner; (b) the offense or misconduct upon which the disbarment or suspension was based, together with the date of such disbarment or suspension; (c) the names and addresses of all complaining witnesses in any disciplinary proceedings which resulted in disbarment or suspension, and the name and address of the Referee before whom such disciplinary proceedings were heard, or of the trial judge, complaining witness, and prosecuting attorney, if disbarment was based upon conviction of a felony or misdemeanor involving moral turpitude; (d) the nature of petitioner's occupation in detail during said period, with names and addresses of all partners, associates in business, and employers, if any, and dates and duration of all such relations and employments; (e) a statement showing the approximate monthly earnings and other income of petitioner, and the sources from which all such earnings and income were derived during said period; (f) a statement showing all residences maintained during said period, with names and addresses of landlords, if any; (g) a statement showing all financial obligations of petitioner at date of filing of the petition, together with the dates when the same were incurred, and the names and addresses of all creditors; (h) a statement showing the dates, general nature, and final disposition of every civil action wherein petitioner was either a party plaintiff or defendant or in which he had or claimed an interest, together with dates of filing of complaints, titles of courts and causes, and the names and addresses of all parties plaintiff and defendant, names and addresses of attorneys for said parties and of the trial judge, or judges, and names and addresses of all witnesses who testified in said action or actions; (i) a statement showing dates, general nature, and ultimate disposition of every matter involving the arrest or prosecution of petitioner during said period for any crime, whether felony or misdemeanor, together with the names and addresses of complaining witnesses, members of The Florida Bar representing the Bar, and trial judges; (j) a statement as to whether or not any applications were made during said period for a license requiring proof of good character for its procurement; and as to each such application, the dates, the name and address of the

38. *Reference of Petition.* The Board of Governors may, in its discretion, refer the petition for reinstatement to the Grievance Committee of the county where the petitioner resides, or to a reinstatement committee to be appointed by the Board of Governors, the members of which committee shall not be members of the Board of Governors, to the State Board of Bar Examiners, or other committee, for investigation and report on the fitness of the petitioner or on other facts, by means of formal hearing and findings, or otherwise.

39. *Reinstatement Attorneys.* When a petition for reinstatement is referred by the Board under the provisions of Rule 38, the Board of Governors may appoint, or may request any local bar association to appoint, from the active members of The Florida Bar, one or more attorneys whose duties when appointed are to appear at the hearings and to prepare and present to said committee or reinstatement referee evidence which in the opinion of the committee or of the attorneys should be considered in passing upon the petition.

39.1. *Depositions.* Depositions, including that of the petitioner, may be taken and used in reinstatement proceedings in the same manner, as far as applicable, as in civil cases.

For the failure of the petitioner to submit to examination as a witness, pursuant to notice given, the Board of Governors shall dismiss the petition for reinstatement unless good cause is shown for such failure.

40. *Hearing; Notice; Evidence.* The committee or Referee to whom the petition for reinstatement is referred shall fix a time and place for hearing, and notice thereof shall be given, at least five days prior to the hearing, to the petitioner and to each of the persons required to be named in his petition, and to such other persons as may be designated by the Board of Governors, Referee, or by any member of the committee to which the petition is referred.

Any of said persons, any other interested person, or any local bar association may appear before said committee in support of or in opposition to the petition at any time or times fixed for hearings thereon.

41. *Who May Not Appear for Petitioner.* No member or former member of the Board of Governors, or of the State Board of Bar Examiners, and no employee or former employee of The Florida Bar, shall represent any person seeking admission or reinstatement in any appearance before a committee of The Florida Bar or the Board of Governors until at least one annual meeting of The Florida Bar shall have been held subsequent to the date of the expiration of the term for which he was appointed or elected or subsequent to the date of the termination of his employment; nor shall any member or former member of any Grievance Committee represent a petitioner or applicant in any such proceeding during the term for which he was appointed and for six months thereafter, nor, in any case, in any such proceeding heard or partially heard before him.

42. *Prompt Hearing; Report.* The committee or committees to which a petition for reinstatement has been referred by the Board of Governors shall proceed to a prompt hearing, at the conclusion of which it shall promptly make and transmit to the Board of Governors a report pursuant to the instructions of the Board of Governors.

43. *Notice of Reinstatement Committee's Report.* When the report to the Board of the committee to which a petition for reinstatement has been referred is received at the office of The Florida Bar in Tallahassee, a copy thereof shall be sent by the Executive Director to the petitioner and to the member of The Florida Bar representing the Bar and to each local bar association which has appeared in the proceeding. A copy of the letter of transmittal, bearing date of mailing and the name of the person mailing the same, shall be retained in the office of The Florida Bar and shall be prima-facie evidence of the mailing thereof upon said date.

An application by a local bar association or other group of lawyers to the Board of Governors of The Florida Bar for authority to operate a lawyer reference service shall be filed with the Executive Director in writing and shall contain:

(a) The proposed By-Laws or Rules and Regulations which will govern the proposed reference service,

(b) The number of lawyers who will participate in the service,

(c) A statement as to the number of lawyers in the area, and

(d) An estimate of the condition that evidences a need for such services in the area.

The Board of Governors may approve or disapprove the application to operate a lawyer reference service or it may call for additional information upon which to base its decision.

Authority to conduct a lawyer reference service may be granted to an association or group of lawyers conducting such a service which is truly representative of the entire profession in the area of the service, which is of such size and number that the anonymity of the individual lawyers is secured and the identity of the individual members is submerged in the group, and the membership of which is open to all members of the profession on an equal basis. Such authority may be granted where a public need for a lawyers' reference service has been demonstrated and where it appears that the possibility of benefits to any individual lawyer is so indirect and remote that such possibility of benefits cannot reasonably be said to be the inspiration and motive for the operation of the service.

IF YOU DON'T SEE IT, YOU WON'T SPEND IT. Millions of people sign up with the Payroll Savings Plan at work because it helps them save money that otherwise might slip through their fingers.

EVERY Savings Bond you own—old or new—earns ½% more than ever before, when held to maturity.

You save more than money with U.S. Savings Bonds

ADVERTISING COUNCIL PUBLIC SERVICE

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this magazine for their patriotic donation.

How to Save Money

in spite of yourself

Many Americans have discovered a way to save money without really changing their spending habits. You simply ask the company where you work to set aside money every payday for U.S. Savings Bonds. The Payroll Savings Plan makes sure that it goes into savings before you can dribble it away. And, if you buy a $25.00 Bond a month (cost $18.75) in 40 months you'll have Bonds worth $1,000 at maturity. You really won't miss it because it adds up to only 63¢ a day.

U.S. Savings Bonds are more than a good way to save

You can save automatically with the Payroll Savings Plan. • You now earn 3¾% interest to maturity. • You invest without risk under a U.S. Government guarantee. • Your money can't be lost or stolen. • You can get your money, with interest, anytime you want it. • You save more than money—you help your Government pay for peace. • You can buy Bonds where you work or bank.

WILL THEY LIVE IN A PEACEFUL WORLD? Lots of Americans do more than "hope so." They're buying U.S. Savings Bonds to help pay for the strength America needs to help keep the world at peace.

BY-LAWS OF THE JUNIOR BAR SECTION*

Article I

OBJECTS

The Junior Bar Section of The Florida Bar is formed for the purpose of fostering discussion and interchange of ideas relative to the duties, responsibilities and problems of the younger members of the legal profession, aiding and promoting their advancement, encouraging their interest and participation in the activities of The Florida Bar and in general to further the purposes and objects of The Florida Bar.

Article II

MEMBERSHIP

All members of The Florida Bar who have not yet reached the age of thirty-six shall be enrolled as members of the Junior Bar Section; provided, however, that any member who shall reach the age of 36 years shall be entitled to the rights of privileges of membership for the remainder of the fiscal year in which his 36th birthday occurs.

Article III

OFFICERS

The officers of the Bar shall be a President, a President-elect and a Secretary-Treasurer.

A President-elect, a Secretary and a Treasurer shall be elected by the members of the Junior Bar Section of The Florida Bar at its annual meeting to be held in 1953. Such officers shall take office at the conclusion of said meeting and shall hold office until the 1954 annual meeting. At the conclusion of the 1954 annual meeting, and at the conclusion of all future annual meetings of the Bar, the President-elect shall take office as President; provided, however, that the Vice-President elected at the annual meeting in 1952 shall, upon adoption of these regulations by the Junior Bar Section and approval by the Board of Governors of The Florida Bar, become President-elect and shall succeed to the office of President at the termination of the annual meeting held in 1953.

A President-elect, a Secretary and a Treasurer shall be elected at the annual meeting held in 1953 and at each annual meeting thereafter.

*Approved by two-thirds vote of members present at annual meeting held June 7, 1952, at Miami Beach, Florida.

Approved by Board of Governors of The Florida Bar at meeting held June 7, 1952, at Miami Beach, Florida.

No active member of the Bar shall be ineligible for election to any of the foregoing offices by reason of the fact that as a representative or representative-elect from a judicial circuit he is a member or member-elect of the Board of Governors; but anyone elected to any such office shall be entitled to cast only one vote on matters of business coming before the Board for consideration.

Article IV

ELECTION OF OFFICERS

All officers shall be elected at the annual meeting of the Junior Bar Section and shall hold office until the adjournment of the next annual meeting of the Junior Bar Section and until their successors are elected and qualified. The same person shall not serve as President for two successive years except that a President-elect who serves the unexpired term of a President shall be entitled to serve as President during the term for which he was elected. A majority of the votes cast at such annual meeting shall be necessary to the election of all officers and such vote in all cases be by written ballot.

The Nominating Committee shall consist of the President, who shall act as Chairman, but shall have no vote on the Committee, and one member from each of the judicial circuits as hereafter provided.

Prior to the convening of the annual meeting of The Florida Bar, the members in each of the judicial circuits shall elect one of their number a member of the Nominating Committee of the Junior Bar Section and written notice of such election shall be given the President by the member of the Board of Governors from each of such circuits prior to the convening of the such annual meeting.

Upon the convening of the annual meeting of The Florida Bar it shall be the President's duty to appoint each person so elected by the members in each circuit as members of the Nominating Committee; provided, however, that in the event the members in any circuit or circuits shall have failed to elect a member of the Nominating Committee or failed to advise the President thereof as hereinabove provided, then the President shall appoint as such member of the Nominating Committee one member of the Board of Governors from such circuit. In the event any circuit has failed to elect a member of the Nominating Committee or failed to advise the President thereof as hereinabove provided, then the President shall appoint a member of the Junior Bar Section as such member of the Nominating Committee.

Such Nominating Committee shall meet during said annual meeting and it shall be the duty of the President, as Chairman thereof, to notify all the members thereof of the time and place of such meeting or meetings, and shall nominate one or more candidates for each office for the ensuing year. The President shall make a written report of such nominations and certify thereon that the notice of all meetings of said Committee has been given by him as hereinabove provided.

Additional nominations may be made by members of the Section from the floor at the time of the election of officers. All candidates so nominated shall be presented to the Junior Bar Section immediately before the election of such officers.

Article V

There shall be a Board of Governors of the Junior Bar Section, to be composed of the President, President-elect, Secretary, Treasurer and one or more members from each Judicial Circuit, the number of such members from each circuit to be the same as the number of members that such circuit shall have upon the Board of Governors of The Florida Bar. The members of the Board of Governors shall be elected in the manner as provided for in Article IV, and shall take office immediately upon the adjournment of the annual meeting of the Junior Bar Section following their election.

The members of the Board of Governors from each Judicial Circuit shall be nominated and elected by the active members of the Junior Bar Section residing in such Judicial Circuit, who shall be present and shall

vote at the annual meeting. Each elected member shall hold office for two years and until his successor is elected and qualified. The members representing the odd numbered circuits who are first elected under these regulations shall hold office for one year and until their successors are elected and qualified; thereafter, elections in odd numbered circuits shall be held in odd numbered years, and elections in even numbered circuits shall be held in even numbered years. Any vacancy on the Board of Governors arising in the office of representative from a Judicial Circuit shall be filled by the remaining members of the Board for the unexpired term, from the active membership of such circuit. The members of the Board of Governors elected at the annual meeting in 1952 shall, upon adoption of these Regulations by the Junior Bar Section, and approval by the Board of Governors of The Florida Bar, be deemed to be those first elected under these Regulations and shall serve for the terms hereinabove provided.
